Internal Transport ☐	Poor Information ☐	Crushing ☐	Countersink ☐	Off-set ☐	Drawing ☐																																																																																											
Tribal Knowledge ☐	Rushing ☐	Heat Treat ☐	Cut Too Short ☐	Mislabeled ☐	Finish ☐																																																																																											
LOA ☐	Product Improvement ☐	Wave/Twist in Tube ☐	Instructions Incomplete/Unclear ☐	Fit/Function ☐	Misread ☐																																																																																											
Substation ☐	Process Improvement ☐	Marks/Chatter ☐	Drill Holes ☐	Misaligned/off center ☐	Turning Sequence ☐																																																																																											
Past Expiry Date ☐	Manufacturing Process ☐																																																																																															
Misidentified ☐	Past Due ☐																																																																																															
Power Loss/Surge ☐	Positioned Wrong ☐																																																																																															
Folio/Program ☐	Outside Dimensions ☐																																																																																															
Grain ☐	Over/Under tolerance ☐																																																																																															
Weld ☐	Part Incorrect ☐																																																																																															
Wrong Stock Pulled ☐	Part Lost/Missing ☐																																																																																															
Out of Sequence ☐	Part Moved ☐																																																																																															
Off-set ☐	Drawing ☐																																																																																															
Mislabeled ☐	Finish ☐																																																																																															
Fit/Function ☐	Misread ☐																																																																																															
Misaligned/off center ☐	Turning Sequence ☐
